

Press Release

Symposium Productions acquisition of FEED Networks LLC complete.

Nassau, Bahamas. May 2, 2008 —Symposium Productions Corp. (Pinksheets:SYPJ) today announced that it completed the acquisition 100% of the issued and outstanding shares of FEED Networks LLC.

FEED Networks has been developing software that is designed to help both up and coming and established bands find new fans, improve efficiencies and maximize revenue streams. Now that the acquisition is complete, FEED Networks will look to executing its business plan.

The software is designed to increase a band's fan base and revenue opportunities by identifying and communicating to a band's existing base using viral marketing campaigns, online contests and direct marketing.

Now that the acquisition of FEED Networks LLC is complete, the company is in the process of having the transaction between Refined Resources entered into 2004 cancelled.

About Symposium Productions

SYMPOSIUM is a vertically integrated Entertainment Company that produces live entertainment experiences for its audiences.

About Feed Networks

The management of FEED have been active in the entertainment industry, and have combined their skills to create systems that will generate revenue and reduce costs for musicians and bands.
